He was going on a fantastic trip with his family.**

MAGINK

**Louie got on an airplane with his family.
It went up and up to the top of white clouds.**

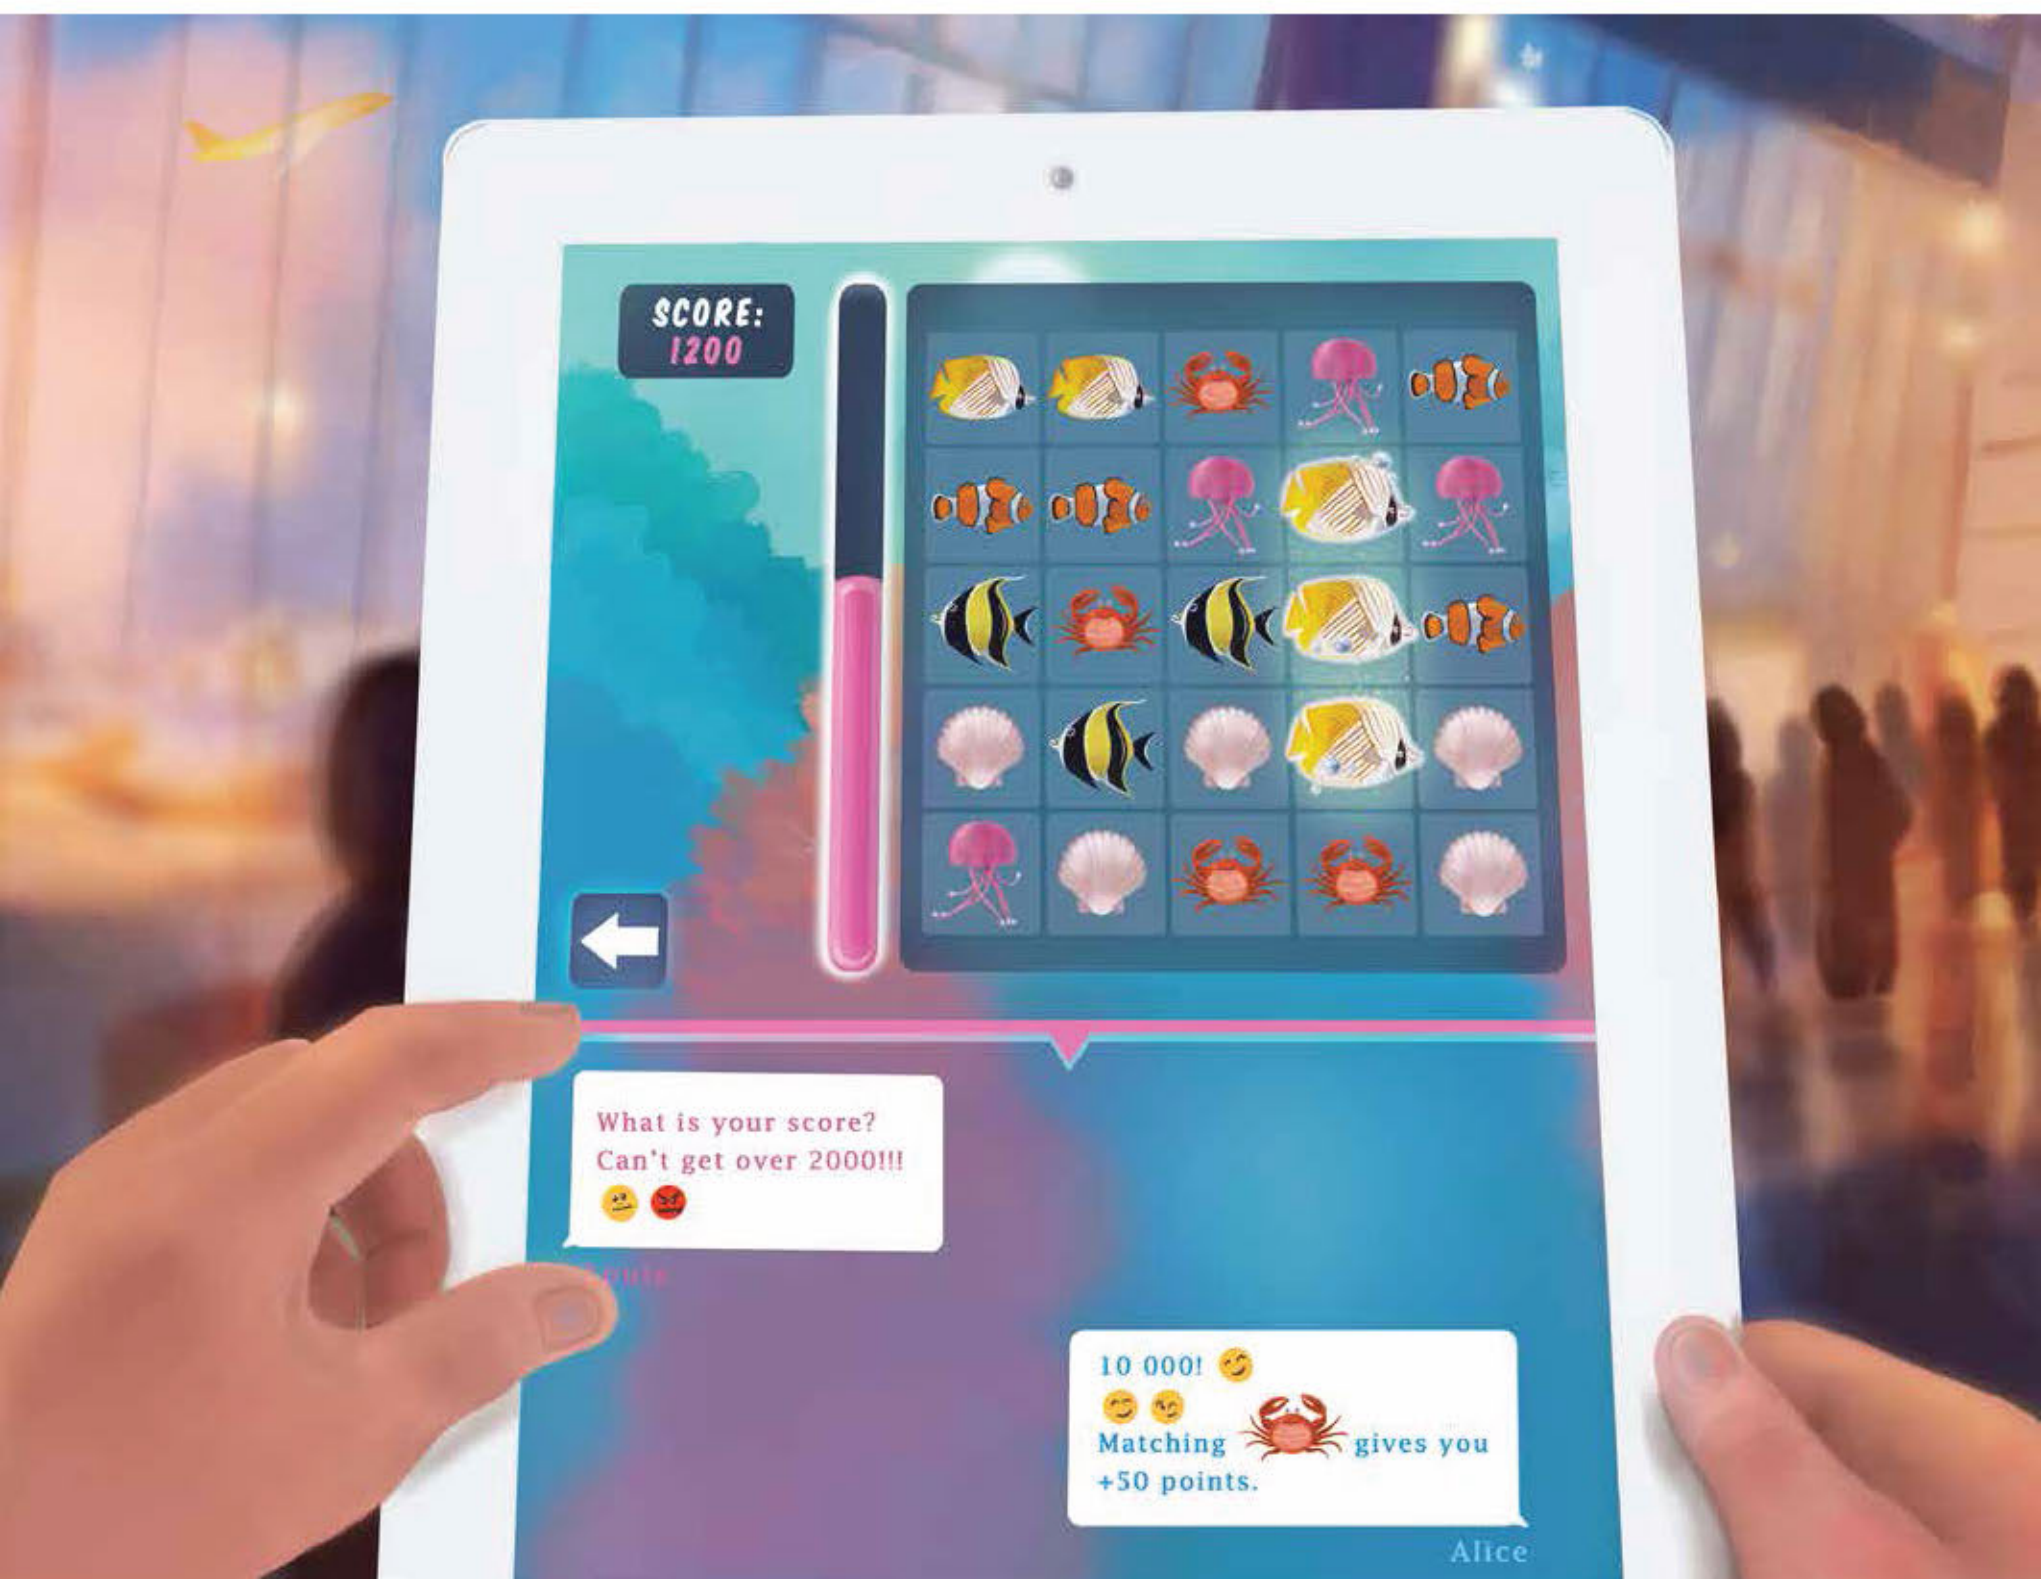

MAGINK

And at dusk the airplane flew down the golden clouds
and he got off the plane.

“The dream journey has begun!” said his father.

“Let’s go!” replied his mother.

**They had sushi in one of those busy and crowded restaurants of Japan;

and waiters sliding plates of food across the table.**

MAGINK
