One perfect sunny day,
the happy bunch in the
forest decided to
take a photo all
together.

Frog hopped forward, grabbed
the camera, and said,
“I’ll take it!”

and...
Click click... Frog took a photo.

The happy bunch all said, "What a funny photo! We had never looked at our feet so closely. But this is no complete photo!"

“Not to worry guys! I’ll take the photo,”
said Bear and took the camera from Frog

and...

Click click... Bear took a photo.

The happy bunch all said, "Very interesting!
Yet, this is still not a complete photo."

"I know what to do! Leave it to me,"
said Giraffe taking the camera

and ...

Click click: "Ugh...
no! What was that?"

Look at
this!

This is
cute.

Ha ha
ha...

Silly
dragonfly!

So click click... Giraffe took another photo!

The happy bunch all said, "Good job Giraffe!
That is a nice photo!
Only if we were in it as well!"

Rabbit came along and said,
“Let me handle this!
I am a pro photographer.”

And...
Click click... Rabbit took a photo.

The happy bunch all said,
“What a nice photo!
But there are just parts
of each one of us in it.”

MAGINIA

“Let me have a go!”
said Monkey.
then jumped up the tree

and...
Click click... Monkey
took a photo.

The happy bunch all said,
“Wow! What a great photo of Giraffe
alone!... But what about us?”

“Give me the camera. I’ll do it.
I know the trick!” said Seagull.

Seagull took the camera,
then flew up to the sky, and ...
Click click... Seagull took a photo.

Exactly where are we?

Amazing picture!

This is very beautiful!

Is that us?

Our forest is so pretty from up there!

The sun was setting;
the not so happy bunch were looking
at the photos they took.
"Shame! It's getting dark
and we couldn't even take one
good group photo.
Let's go home."

Wait! Wait!
Look what I found!

**“Wow!
Look at this!”
screamed Rabbit
joyfully. Giraffe
said, “Together, we
have taken the best
photo! A whole and complete
group photo!!”**

Hallo, ihr Lieben,

wir sind das Kreativ-Team von Magink.
Diejenigen, die glauben, dass man aus normalen Worten
Zauberworte machen kann. Wir Schreiben unsere Geschichten,
über denen wir lange gebrütet haben, für Kinder in aller Welt.

Unter uns gesagt: Wir sind die Erwachsenen, die im
Herzen nicht wirklich erwachsen geworden sind.

Und so hoffen wir ein bisschen, dass ihr auch ewig
Kinder bleibt.

Das Leben ist zweifellos schöner so.
